February 10, 2020

Greetings!

It's that time of year again for our dedicated group of volunteers to start finalizing plans for this year's Judah Heritage Festival. This year's date will be June 20, and will take place at the Johnny Junxions property as usual.

As I'm sure you're aware, a quality event like ours relies on the generous support and donations from businesses and individuals like yourself in order to make it all possible. The Judah Heritage Festival strives to be a safe, family friendly day for the community to come together to enjoy good food, a variety of live music, an awesome car show, craft marketplace, BBQ competition and more. And as always, we will once again close out the evening with our highly anticipated fireworks show. Can we count on you again this year to be a sponsor for our festival?

Sponsor levels and benefits are as follows:

Up to \$500—

- *name listed on our main banner
- *name listed on back cover of event schedule
- *social media recognition
- *any newspaper recognition

\$501-\$1,000—

All of the above, plus:

- *larger, bolder listing on main banner
- *larger listing on inside of event schedule, including logo if space is available

\$.1001 and up –

All of the above, plus:

- *name printed on tabletop signs inside Johnny Junxions, and on outdoor patio tables day of festival.
- *name listed on fliers posted around Silent Action

Thank you for your support!

Michele Hardman
